

INLAND EMPIRE HUNTER JUMPER ASSOCIATION SHOW SANCTIONING AND MANAGEMENT POLICY

Effective DECEMBER 1, 2018

PART 1 – SHOW APPROVAL

Section 1 – Definitions

1. **Competition Ring:** is a designated area on the competition grounds where classes are held for competition of hunters and/or jumpers.
2. **Schooling Area:** is a designated area on the competition ground in close proximity to the competition ring in which horses are being prepared to compete.
3. **Lunge area:** is a designated area on the competition ground that is used primarily to lunge horses. If the designated area is used as a lunge area, it cannot be used as a schooling area (e.g., within a designated lunge area, no horses can be ridden at the same time).

Section 2 - Facilities

1. All show facilities must be inspected and approved by the Show Management Committee (SMC) of the Inland Empire Hunter Jumper Association (IEHJA). The SMC will provide a written report on each facility inspection to the Board of Directors (BOD) of IEHJA. The inspection will be completed by a minimum of two members of the SMC. See Appendix A for a copy of the facility inspection report.
 - a. **Current Facilities:** If a written complaint/inspection request has been received regarding a previously inspected and approved facility, the facility will be re-inspected by the Show Management Committee within 15 days of receipt of the written complaint. All complaint/inspection requests must be submitted to the Show Management Committee for review. The Committee will then report their findings to the BOD. The BOD will vote to decide if a letter requiring the improvements suggested will be sent to the Show Manager.
 - b. **New Facilities:** A show manager wanting to use a facility, or a new show series requesting to be sanctioned by IEHJA, must request use of the new facility no less than sixty (60) days before the first show to be held at that facility, to allow time for

inspection. See Appendix B for the Show Date Application. At least two (2) members of the SMC will, within twenty (20) days of receipt of request, inspect the new facility, produce a written report, including recommendations for approval and/or improvements, and submit that recommendation to the BOD for vote at the next available BOD meeting. A written report with the vote of the BOD will be provided to the show manager within ten (10) days of the BOD meeting. Special circumstances will be brought to the BOD for review and vote.

2. **Facilities:** The venue used for the potential IEHJA sanctioned show must meet the following:
 - a. Minimum of one competition area, one schooling area and one lunge area (lunging and schooling areas can be in the same arena, but must be separated by cones or other means).
 - b. Convenient and ample water facilities for horses and potable water for human consumption must be provided and available at all times.
 - c. Sufficient schooling fences in the schooling area. At a minimum there must be three sets of standards, set as one vertical and one oxer.
 - d. A minimum of one (1) clean and sanitary restroom either portable or permanent must be provided for every fifty (50) horses entered in the previous year and must be cleaned and supplied daily.
 - e. A public address system audible enough to cover the entire show grounds including the competition, schooling and lunge areas.
 - f. Parking area(s) adequate for vans, trailers, competitor and officials must be provided.
 - g. Refreshments provided on the show grounds, throughout the day. Vending machines do not qualify.
 - h. Adequate trash receptacles.
 - i. A judge's site with protection from adverse weather conditions must be provided at each competition ring.
 - j. The footing in all competition rings, schooling rings, and lunge areas must be safe, consistent and appropriate for the intended use and type of competition. These areas must be properly maintained at least daily, and more often depending upon use and weather conditions.
 - k. Competition management is required to make an effort to maintain the best possible footing in competition, schooling and lunge areas. Provisions must be made (by having on hand functioning proper equipment and scheduling sufficient breaks in the schedule) to maintain the footing in those areas, e.g. by dragging, watering, and raking if necessary, throughout the competition.
 - l. Water trucks, sprinklers, or another suitable system which must be used for dust reduction for all required and provided rings, schooling and lunge areas.

3. **Show Venue Changes:** If a show manager wishes to request a change in venue for an approved show already listed on the IEHJA calendar for the current show year, such request must be made in writing and received by the Chair, SMC at least sixty (60) days prior to the original show date, or the new date, whichever is earlier. Special circumstances will be brought to the BOD for review and vote.

Section 3 – Application Process

1. **Application:** All current show series will submit the Show Date Application (Appendix B) by July 15 of each year. A new horse show and/or facility may be granted one (1) date with tentative dates to follow. Permanent dates may be approved only after a new manager has shown he/she can and will conduct shows in full compliance with IEHJA show standards.
 - a. A requesting show manager will complete the IEHJA Show Date Application, located at Appendix B, and submit the Application and all supporting documents to the SMC. The request must be submitted sixty (60) days before the show is to be held. Special circumstances will be brought to the BOD for review and vote.
2. **Sanctioning Fee:** The sanctioning fee for an approved show is seventy-five dollars (\$75.00 US) per show for up to two computers, plus fifty dollars (\$50.00 US) for each additional day. Additional computers incur additional charges. All fees must be submitted on the Horse Show Financial Report (Appendix D) upon completion of each show.

3. **Horse Fee:** An IEHJA Horse Fee of \$2.00 per horse, per show, will be charged by each sanctioned show. These monies will be remitted to IEHJA postmarked within 10 days of the show.
4. **IEHJA Shows per Date:** The IEHJA has a fifty (50) mile rule. There shall be only one (1) approved IEHJA show per date, unless the facilities used are more than fifty (50) miles distant, then two (2) approved IEHJA shows may be held on the same date.
 - a. **Proposed Prize List:** The proposed prize list (premium) for each show must be mailed or emailed to the Chair, SMC for approval at least sixty (60) days prior to the actual show date. The SMC will review the prize list (premium) to ensure that IEHJA standards are met and will provide a written report to the show manager within ten (10) days of receipt. Once the premium has been approved, each show manager is required to mail and/or or email prize lists (premiums) to all current members of the IEHJA. The SMC will report prize list approval to the BOD. Special circumstances will be brought to the BOD for review and vote.
5. **Prize List Requirements:** Prize lists must contain the following:
 - a. The current IEHJA membership application must appear in the prize list for all approved shows and must reference the correct address and fees for the IEHJA. The membership form must be available at the show office at every show sanctioned by the IEHJA.
 - b. The exact date and location of competition, name of Show Manager and contact information prior to and on show day (if different)

- symbol will be located at the bottom of the prize list.
- e. Description of divisions/classes per IEHJA rules.

Section 4- Show Dates

1. Show Dates: Show dates are non-transferable. Show dates will be comparable to those dates of the previous year. Application of show dates (Appendix B) must be received, in writing, by the SMC by July 15 prior to the start of the show year. Special circumstances will be brought to the BOD for review and vote.
2. Show managers may apply for show dates that occur from December 1st thru October 31st of each show year. The only IEHJA sanctioned show that will be held during November of each year will be the IEHJA Finals Show.
3. To continue to receive comparable show dates, show managers may not voluntarily cancel a specific show date two years in a row. If a manager cancels a show voluntarily without making timely notification to the SMC, he/she forfeits the sanctioning fee as well as the seniority for

such show date. If a manager cancels, or does not use, the same show date two years in a row voluntarily, and not pursuant to acts of god, such manager loses his/her seniority for the following year and has to reapply for such date equally with new applicants. If a manager wishes to hold a show on an IEHJA date which remains, or comes open during the year after the application process has been completed, the show manager must follow the process listed in Sections 2 and 3 of this policy. IEHJA shall not be obliged to award an available date to a show manager, even if no other manager applies for such open date.

PART 2 - JUDGES

1. **Approval:** All judges must be approved by the SMC.
2. **Judges Roster:** A roster of approved judges will be provided to show managers in July of each year and updates will be provided to show managers on a regular basis.
3. **Guest Judges:** Guest judges are permitted one (1) time only, with written approval of the SMC.
4. **Limitations:** No person may judge more than five (5) IEHJA sanctioned shows in a given show year.
5. **New Judges:** New judges may be added to the roster at any time at the request of a show manager. The show manager will assist the new judge in submitting the required information. See Appendix C. Upon receipt of request for a new judge to be added to the roster, the SMC will review the application and determine if the judge meets the IEHJA standards. The SMC will complete the review and approval/disapproval within thirty (30) days and provide written notification to the show manager, judge, and IEHJA BOD. Should the SMC disapprove the judge, the judge, or show manager, may appeal to the IEHJA BOD in writing. The IEHJA will accept written appeals on the matter, vote based on evidence received, and provide a written response within thirty (30) days.
6. **IEHJA Requirements for Judges:**
 - a. Any USEF judge licensed as an official in the hunter, hunt seat equitation and jumper divisions is automatically approved by IEHJA. The show manager using a licensed USEF judge not on the IEHJA list, will submit the judge's name and contact information to the SMC to be added to the judges list.
 - b. Must be age 21 or over.

6. **Oxers:** For Hunter Courses, oxers must be ramped in the direction of approach. For Jumper Courses, oxers may be ramped, parallel or Swedish.
7. **Fence Heights:** Fence heights will be determined by the height listed in the official prize list. Fence heights listed in time schedules, course diagrams, trainer sheets, or any other materials will be superseded by the prize list printed by the horse show management. Fence heights must conform to the Class/Division rules and specifications.
8. **Schooling Rounds:** Schooling rounds are at the discretion of the show manager.
9. **Hunter Courses:** A hunter course must consist of a minimum of seven (7) jumping efforts and a maximum of ten (10) jumping efforts. The only exception is for walk trot over rails which will have a minimum of four (4) efforts and a maximum of eight (8) efforts.

15. **Timing:** Timing for jumper classes may be done by electronic timer, or by a designated individual using stop watch timers, with flags or cones as markers. The "jump off" portion of a jumper class must be timed. A time allowed for the first round will be posted.

PART 4 - CONDUCT OF SHOWS

1. **Rules:** All shows shall follow the IEHJA Official Rules. If there is no IEHJA rule, the United States Equestrian Federation (USEF) rules will prevail.
2. **Rule Books:** The IEHJA By-Laws, the IEHJA Official Rules, the IEHJA Show Management Rules, and all IEHJA policies shall be made available in the horse show office for reference at each show. A current copy of the USEF Rule Book must be available in the show office.

9. **Unpaid Entries:** If an individual's payment for entry fees, etc., is returned as non-negotiable by their financial institution, the secretary of the sanctioned show shall make every effort to obtain full payment. Initial contact may be made telephonically, or via email; however, final contact must be completed within thirty days, and final contact must be completed in writing. Should the individual not complete payment within thirty days, the show secretary

will notify the Chair, Membership and Public Relations Committee (MPRC). The Chair, MPRC, will determine membership and point status, and take appropriate action. Further, regardless of membership status, the Chair, MPRC, will notify all show managers for IEHJA sanctioned shows that the individual has been placed on the "Unpaid Entries" list. It will be the decision of the show manager to accept payment, other than cash, from that individual.

10. **Non-Compliance:** Should the BOD receive a concern or complaint the proper Committee. will investigate and report the results, in writing, to the BOD, for resolution. In the event that the concern or complaint is of such a nature that the safety of exhibitors, trainers, horses and/or guests may be endangered, or that the conduct of the show is not in keeping with the intent and/or spirit of these rules and IEHJA, then the BOD may place the show on probation until the BOD is satisfied that proper corrective action has been implemented. A show that remains on probation may be subject to a loss of show dates and/or be fined up to one hundred and fifty dollars (\$150.00) per show at the discretion of the Board.

4. **Awards:** IEHJA, through the Chair, SMC, will provide, by mail or in person, the first place award for each Medal Class to the show manager at least five (5) days before the show. The Chair, SMC, will notify the Treasurer of the cost of each award, and a list of the awards sent to each show manager. If a Medal Class is not held due to lack of entries, cancellation of show, or other reason, the show manager will retain the medal(s) until their next show or return the award.

Show management must send a final class count to Membership and Public Relations Committee within 10 days of the show. Show managers must insure that any questions from the Membership and Public Relations Committee regarding names, addresses, points, registrations or any other request is answered within

ten (10) days of request. USEF rules on Jumper Tables will be followed, unless specifically noted below.

Table II, Section 2 (b): If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. If there are no clean rounds and a tie exists for first place, there will be one jump-off in which time will decide in the event of equality of faults. The first round and first jump-off, if any, are decided by adding together faults incurred over the course and any penalties for exceeding the time allowed. There must be a minimum of eight jumping efforts.

Table II, Section 2 (c): Two Phase Competitions: The first phase to consist of 8 to 10 jumping efforts and the second phase (immediate jump-off) of 5 to 7 jumping efforts. Scores are decided by adding together the faults incurred over the course and any penalties for exceeding the time allowed, if any. If a competitor has gone clean in the first round he/she will, upon crossing the finish line, commence the designated jump-off course without stopping. Time starts as the horse crosses the finish line for the initial course.
